11.	The course is designed such that teachers taught it by using ICT tools.	4
12.	The course is useful in the preparation of NET/GATE/JEST or similar competitive examination.	3

Do you have any suggestion regarding the improvement of the course: Yes/ No — Yes

If yes, please mention the module and suggestions

…It should be sole paper on ecology and environment. By including a major fraction of renewable energy in this paper, the ecological science cannot be grasped in its hollistic perspective. Either more topics of Ecology should be included or the paper should be fully dedicated to renewable energy Science.
