10.	The course is well aligned with similar courses in other Institutes/Universities.	2
11.	The course is designed such that teachers taught it by using ICT tools.	3
12.	The course is useful in the preparation of NET/GATE/JEST or similar competitive examination.	4

Do you have any suggestion regarding the improvement of the course: Yes/ No

Yes

If yes, please mention the module and suggestions

The syllabus is not balanced either for ecology or for renewable energy. In case ecology/renewable energy has to be taught in details, it requires more modules, but then it cannot be accommodated within one semester.

Any other specific comments:
